All drivers are REQUIRED to hold an AASA licence to participate in all of our events. **AASA Day Licences and MSA licences will not be accepted!** Failure to provide your AASA General Speed Licence will forfeit your entry into the event. Please contact admin@motorsport.beer for any questions or concerns.

On the event day, during driver registrations, it's mandatory to present your AASA license. We urge ALL team members, including drivers, pit crew, and flag persons (including your friend/family flaggy volunteers), to obtain an AASA Officials license. It is FREE to apply for an official's licence and it lasts for three years, for assistance in the application process, please email admin@motorsport.beer

Officials must also sign in during team registrations or for flag duty on the event day.
